A Tribute to 9-11

We would like to dedicate this page to the innocent victims and heroes who lost their lives on September 11th. This tragedy affected each of us profoundly. It may have weakened our hearts for only a moment, but has strengthened, united and reassured us of our calling to the nursing profession.

At the Pinning Ceremonies, the 2001-2002 CSN graduating classes recite the Nightingale Pledge. It is an empowering moment and solidifies the life long commitment of a Charity graduate.

Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly to pass my life in purity and practice my profession faithfully.

I will abstain from whatever is deleterious and mischievous and not take or administer any harmful drug.

I will do all in my power to elevate the standard of my profession and will hold in confidence all personal matters committed to my keeping, and all family affairs coming to my knowledge in the practice of my profession.

With loyalty will I endeavor to aid the physician in his work and devote myself to the welfare of those committed to my care.
